

## Fill in the gaps

A vacation in the (1)	land	Oh oh you're in the army now	
Uncle Sam does the best he can		Shots (5) out in the (6) of night	
You're in the army now		The sergeant calls: "Stand up and fight!"	
Oh oh you're in the army now		You're in the army now	
Now you (2)	what the draft man said	Oh oh you're in the army now	
Nothing to do all day but stay in bed		You've got your orders there to shoot on sight	
You're in the army now		Your finger's on the (7) but it don'	't seem
Oh oh you're in the (3) now		right	
You'll be a hero of the neighbourhood		You're in the army now	
Nobody knows that you left for good		Oh oh you're in the army now	
You're in the army now		You're in the army now	
Oh oh you're in the army now		Oh oh you're in the army now	
Smiling (4) as you wait to land		Night is falling and you (8) can't see	
But once you get there no one gives a damn		Is this illusion or reality	
You're in the army now		You're in the army now	
Oh oh you're in the army now		Oh oh you're in the army, in the army now	
Hand grenades flying over your head		You're in the army now	
Missiles flyin' over your head		Oh oh you're in the army now	
If you wanna survive get out of bed		Oh oh you're in the army, in the army now	
You're in the army now
