## Follow You Follow Me by Genesis

## Fill in the gaps

Stay with me,
My love I hope you'll always be
Right here by my side if (1) I needed you
Oh my love
In your arms,
I feel so safe and so secure
Everyday is such a perfect day to spend
Alone with you
I will follow you will you follow me
All the days and nights that we know will be
I will stay (2) you (3) you stay with me
Just one single tear in each passing year
With the dark,
I see so very clearly now
All my fears are drifting by me so slowly now
Fading away
I can say
The night is long but you are there
Close at hand I'm better for the smile you give
And while I live
I will follow you will you (4) me
All the days and (5) that we know will be
I will stay with you will you (6) with me
Just one single (7) in each (8) year there will be
I will follow you will you follow me
All the days and nights that we know will be
I will stay with you will you stay (9) me
Just one (10) tear in each passing year
