Please Forgive Me by Bryan Adams

Still feels like our (1) night together	So if you're feelin' lonely don't
Feels like the first kiss and it's gettin' better baby	You're the only one I ever want
No one can better this	I only wanna make it good
Still holdin' on, you're (2) the one	So if I love you a little more than I should
First time our eyes met - the same feeling I get	Please forgive me - I know not what I do
Only feels much stronger - I wanna love you longer	Please forgive me - I can't stop loving you
You (3) turn the fire on	Don't deny me - this pain I'm going through
So if you're feelin' lonely don't	Please forgive me - if I need ya like I do
You're the only one I ever want	Oh believe me - every word I say is true
I only wanna make it good	Please forgive me - I can't stop loving you
So if I love ya a little more than I should	One thing I'm sure of - is the way we make love
Please forgive me - I (4) not what I do	The one thing I depend on
Please forgive me - I can't stop loving you	Is for us to stay strong
Don't deny me - this pain I'm going through	With (7) word and every (8) I'm
