I remember the night - you know I still do

Fill in the gaps

Please Forgive Me by Bryan Adams

Still (1) like our first night together	So if you're feelin' (7) don't
Feels like the first kiss and it's gettin' better baby	You're the only one I ever want
No one can better this	I only wanna make it good
Still holdin' on, you're still the one	So if I love you a little more than I should
First time our eyes met - the same feeling I get	Please forgive me - I know not what I do
Only feels much stronger - I wanna love you longer	Please forgive me - I can't stop loving you
You still turn the fire on	Don't deny me - this pain I'm going through
So if you're feelin' lonely don't	Please forgive me - if I need ya like I do
You're the only one I ever want	Oh believe me - every word I say is true
I only (2) make it good	Please forgive me - I can't stop loving you
So if I love ya a little more (3) I should	One thing I'm sure of - is the way we make love
Please forgive me - I know not what I do	The one thing I (8) on
Please forgive me - I can't (4) loving you	Is for us to stay strong
Don't deny me - this pain I'm going through	With every word and every breath I'm prayin'
Please forgive me - if I need ya like I do	That's why I'm sayin'
Please believe me - every word I say is true	Please forgive me - I know not what I do
Please forgive me - I can't stop loving you	Please forgive me - I can't stop loving you
Still feels like our best times are together	Don't deny me - this pain I'm going through
Feels like the first touch	Please forgive me - if I need you like I do
We're still gettin' closer baby	Babe believe me - every word I say is true
Can't get close enough	Please forgive me - If I can't stop (9) yo
I'm (5) holdin' on - you're still number one	Never leave me - I don't know what I do
