I remember the night - you know I still do

Fill in the gaps

Please Forgive Me by Bryan Adams

Still feels (1) our first night together	So if you're feelin' lonely don't
Feels like the (2) kiss and it's gettin' better baby	You're the only one I ever want
No one can better this	I only wanna make it good
Still holdin' on, you're still the one	So if I love you a little more (7) I should
First time our eyes met - the same feeling I get	Please forgive me - I know not what I do
Only feels (3) stronger - I wanna (4)	Please forgive me - I can't stop loving you
you longer	Don't deny me - this pain I'm going through
You still turn the fire on	Please forgive me - if I need ya like I do
So if you're feelin' lonely don't	Oh believe me - every (8) I say is true
You're the only one I ever want	Please forgive me - I can't stop loving you
I (5) wanna make it good	One thing I'm sure of - is the way we make love
So if I love ya a little more than I should	The one thing I depend on
Please forgive me - I know not what I do	Is for us to stay strong
Please forgive me - I can't stop loving you	With every word and every breath I'm prayin'
Don't deny me - this pain I'm going through	That's why I'm sayin'
Please forgive me - if I need ya like I do	Please forgive me - I know not what I do
Please believe me - (6) word I say is true	Please (9) me - I can't stop loving you
Please forgive me - I can't stop loving you	Don't deny me - this pain I'm going through
Still feels like our best times are together	Please forgive me - if I need you like I do
Feels like the first touch	Babe believe me - every word I say is true
We're still gettin' closer baby	Please forgive me - If I can't stop loving you
Can't get close enough	Never leave me - I don't know what I do
I'm still holdin' on - you're still number one	Please forgive me - I Can't stop loving you
