Somebody once told me the world is gonna roll me	Only (18) stars break the mold
I ain't the sharpest (1) in the shed	-INSTRUMENTAL-
She was looking (2) of dumb with her	Hey now you're an All Star get your game on, go play
(3) and her thumb	Hey now you're a Rock Star get the show on get paid
In the shape of an 'L' on her forehead	And all that (19) is gold
Well the years (4) coming and they don't	Only shooting stars
(5) coming	Somebody once asked could I spare some change for gas
Fed to the rules and I hit the ground running	I need to get myself away (20) this place
Didn't (6) sense not to live for fun	I said yep what a concept
Your brain gets smart but your head gets dumb	I could use a little fuel myself
So much to do so much to see	And we could all use a little change
So what's (7) with taking the back streets	Well the years start coming and (21) don't
You'll never know if you don't go	(22) coming
You'll never (8) if you don't glow	Fed to the rules and I hit the ground running
Hey now you're an All Star get your game on, go play	Didn't make sense not to (23) for fun
Hey now you're a Rock (9) get the show on get	Your brain gets smart but your (24) gets dumb
paid	So (25) to do so much to see
And all that (10) is gold	So what's wrong with taking the back streets
Only shooting stars break the mold	You'll never know if you don't go
It's a cool (11) and they say it gets colder	You'll never shine if you don't glow
You're bundled up now but wait 'til you get older	Hey now you're an All Star get your game on, go play
But the meteor men beg to differ	Hey now you're a Rock Star get the (26) on ge
Judging by the (12) in the satellite picture	paid
The ice we (13) is getting pretty thin	And all that glitters is gold
The waters getting (14) so you might as well swim	Only shooting stars break the mold
My world's on fire how about yours	And all (27) glitters is gold
That's the way I (15) it and I never get bored	Only shooting stars break the mold
Hey now you're an All Star get (16) game on, go	
play	
Hey now you're a Rock Star get the show on get paid	
And all that (17) is gold
