All Star by Smash Mouth

Fill in the gaps

Somebody once told me the world is gonna roll me	Only shooting stars break the mold
I ain't the sharpest tool in the shed	-INSTRUMENTAL-
She was looking kind of dumb with her finger and her thumb	Hey now you're an All Star get your game on, go play
In the shape of an 'L' on her forehead	Hey now you're a Rock (5) get the show on get
Well the years start coming and they don't stop coming	paid
Fed to the rules and I hit the ground running	And all that glitters is gold
Didn't make sense not to live for fun	Only shooting stars
Your brain gets smart but your (1) gets dumb	Somebody (6) asked could I spare some change
So much to do so much to see	for gas
So what's wrong with taking the back streets	I need to get myself away from this place
You'll never know if you don't go	I said yep what a concept
You'll never shine if you don't glow	I could use a little fuel myself
Hey now you're an All Star get your game on, go play	And we could all use a little change
Hey now you're a Rock Star get the show on get paid	Well the years start coming and they don't stop coming
And all that glitters is gold	Fed to the rules and I hit the (7) running
Only shooting stars break the mold	Didn't make sense not to live for fun
It's a cool (2) and they say it gets colder	Your (8) gets smart but your head gets dumb
You're (3) up now but wait 'til you get older	So much to do so much to see
But the meteor men beg to differ	So what's wrong with taking the back streets
Judging by the hole in the satellite picture	You'll never know if you don't go
The ice we skate is getting pretty thin	You'll never shine if you don't glow
The (4) getting warm so you might as well	Hey now you're an All Star get your (9) on, go play
swim	Hey now you're a (10) Star get the show on get
My world's on fire how about yours	
•	paid
That's the way I like it and I never get bored	paid And all that glitters is gold
That's the way I like it and I never get bored Hey now you're an All Star get your game on, go play	
	And all that glitters is gold
