How You Remind Me by Nickelback

Fill in the gaps

Never made it as a wise man
I couldn't cut it as a poor man stealing
Tired of living like a (1) man
I'm sick of sight without a sense of feeling
And this is how you remind me
This is how you remind me
Of (2) I really am
This is how you (3) me
Of what I really am
It's not like you to say sorry
I was waiting on a different story
This time I'm mistaken
for handing you a heart worth breaking
and I've been wrong, i've been down,
been to the bottom of every bottle
these (4) words in my head
scream "are we having fun yet?"
yeah, yeah, no, no
yeah, yeah, no, no
yeah, yeah, no, no it's not like you didn't know that
it's not like you didn't know that
it's not like you didn't know that I said I love you and I swear I still do
it's not like you didn't know that I said I love you and I swear I still do And it must have been so bad
it's not like you didn't know that I said I love you and I swear I still do And it must have been so bad Cause living (5) me must have damn near killed
it's not like you didn't know that I said I love you and I swear I still do And it must have been so bad Cause living (5) me must have damn near killed you
it's not like you didn't know that I said I love you and I swear I still do And it must have been so bad Cause living (5) me must have damn near killed you And this is how, you remind me
