Bad Medicine by Bon Jovi

Fill in the gaps

Your love is (1) bad medicine	Your love is like bad medicine
Bad medicine is what I need	Bad medicine is what I need
Shake it up just like bad medicine	Shake it up just like bad medicine
There ain't no doctor that can (2) my disease	So lets play doctor baby, cure my disease
Bad medicine	Bad, bad medicine, is (7) I want
I ain't got a fever got a permanent disease	Bad, bad medicine, it's what I need
And it'll take more than a doctor to prescribe a remedy	I need a respirator 'cause I'm running out of breath
And I got lots of money but it isn't what I need	You're an all night generator wrapped in stockings and a
Gonna take more than a shot to get this poison outta me	dress
And I got all the symptoms, count 'em 1, 2, 3	When you find your medicine you take (8) you can
First you need	get
(That's what you get for (3) in love)	'Cause if there's something better baby, well, they haven't
Then you bleed	found it yet
(You get a little and it's never enough)	Your love is like bad medicine
On your knees	Bad medicine is (9) I need
(That's what you get for falling in love)	Shake it up just like bad medicine
And now this boy's addicted 'cause your (4) is the	There ain't no doctor that can cure my disease
drug	Your love is (10) bad medicine
Your (5) is like bad medicine	Bad medicine is what I need
Bad medicine is what I need	Shake it up just like bad medicine
Shake it up just like bad medicine	Your love's the potion that can cure my disease
There ain't no doctor that can cure my disease	Bad, bad medicine, is what I want
Bad, bad medicine	Bad, bad medicine
I don't need no needle to be giving me a thrill	I gotta go, I gotta, I gotta go, I gotta, I gotta, I gotta
And I don't need no anesthesia or a nurse to bring a pill	I gotta do it again, wait a minute, wait a minute
I got a dirty down addiction that doesn't leave a track	Hold on, I'm not done
I got a jolt for your affection like a monkey on my back	One more time, with feeling, come on
There ain't no paramedic gonna save this heart attack	Alright, help me out now
When you need	Your love is like bad medicine
(That's what you get for falling in love)	Bad medicine is what I need
Then you bleed	Shake it up just like bad medicine
(You get a little and it's never enough)	Your love's got the potion that can cure my disease
On your knees	Your love, bad medicine
(That's what you get for falling in love)	Your kiss is what I need
Now (6) boy's addicted 'cause your kiss is the drug	Your love, bad medicine
