This Man by Jeremy Camp

Fill in the gaps

In only a moment truth was seen		Would you take the place of this man
Revealed this mystery		Would you take the nails from his hands
The crown that showed no (1) he wore		And we just don't know
And the (2) was placed	for all the world to show	The blood and water flowed
disgrace		And in it all He showed
But only beauty flowed from (3) place		Just how much He cared
Would you take the place of this man		And the veil was torn
Would you take the nails from his hands		So we could have this open door
Would you take the place of this man		And all these things have finally been complete
Would you take the nails from his hands		Would you take the (8) of this man
He held the weight of impurity		Would you take the nails (9) his hands
The (4) would not see		Would you take the place of this man
The reasons had finally come to be to show		Would you take the nails from his hands,
The depth of His grace (5)	with every sin	from his hands, from his hands, (10) his hands
erased		
He knew that this was why he came		
Would you take the (6)	of this man	
Would you take the (7)	from his hands
