

Fill in the gaps

I can see how you are beautiful, can you feel my eyes on you,	Talk to me, show some pity
I'm shy and turn my head away	You touch me in many, many ways
Working late in diner Citylight, I see (1) you get	But I'm shy can't you see
home alright	I see, can't have you, can't leave you, there 'cause I must
Make sure that you can't see me, hoping you will see me	(7) see you
Sometimes I'm wondering why you (2) me and you	And I don't understand how you can keep me in chains
blink your eye	And every waking hour, I feel you taking power From me and
You can't be acting like my Dana (can you)	can't live
I see you in Citylight diner serving all those meals and then	Repeating the scenery over again
I see (3) of me in your eye, oh	Sometimes I'm wondering why you look me and you blink your
please	eye
Talk to me, show (4) pity	You can't be acting like my Dana?
You touch me in many, many ways	I see your beautiful smile and I would like to run away from
But I'm shy can't you see	Reflections of me in your eyes, oh please
Obsessed by you, your looks, well, anyway "I would any day	Talk to me, show some pity
die for you",	You touch me in many, many ways
l write on (5) erased away	But I'm shy can't you see,
Still I sit in diner Citylight, drinking coffee or reading lies	Oh baby, Talk to me, (8) pity
Turn my head and I can see you, could (6) really	You touch me in many, many ways
be you	But I'm shy can't you, I'm shy can't you, I'm shy can't you see
Sometimes I'm wondering why you look me and you blink your	
eye	
You can't be acting like my Dana?	
I see your beautiful smile and I would like to run away from	
Reflections of me in your eyes, oh please
