## Otherside by Red Hot Chili Peppers

How long how long will I slide	Push the trigger and pull the thread
Separate my side	I've got to take it on the otherside
don't	Take it on the otherside
don't believe it's fair	Take it on
Slittin' my throat	Take it on
t's all I ever	How long how (7) will I slide
(1) your (2) through a photograph	Separate my side
thought it up and brought up the past	I don't
Once you know you can never go back	I don't believe it's fair
've got to take it on the otherside	Slittin' my throat
Centuries are what it meant to me	It's all I ever
A cemetery (3) I married the sea	Turn me on, take me for a (8) ride
Stranger things (4) never change my mind	Burn me out leave me on the otherside
've got to take it on the otherside	I yell and (9) it that
Take it on the otherside	It's not my friend
Take it on	I tear it down I tear it down
Take it on	But then it's born again
How long how long will I slide	How long how (10) will I slide
Separate my side	Separate my side
don't	I don't
don't believe it's fair	I don't believe it's fair
Slittin' my throat	Slittin' my throat
t's all I ever	It's all I ever
Pour my life into a (5) cup	How long how long
The ashtray's full and I'm spillin' my guts	I don't
She wants to know am I still a slut	I don't believe it's fair
've got to take it on the otherside	Slittin' my throat
A scarlet starlet and she's in my bed	It's all I ever
