

Inhale by Stone Sour

Fill in the gaps

Come one and all and see the broken man,
Talking to himself
He sits and waits for something better,
He'll never find it here
The people touch his hair
And pinch his cheek, he can't even feel it
There it (1)_____ again, he's listening to someone
He hears the bitter laughter
And all he wants to know is
Why, does any of it matter? (I can't take it anymore)
You've gotta try, the (2)_____ (3)_____ makes
the exhale so (4)_____ better
He wipes his hands on anything in reach,
He (5)_____ feels clean
He shakes at night because his nerve is gone,
Every muscle hurts
Come one and all and see what happened,

That (6)_____ man is me
There it goes again, I can hear it louder
It doesn't feel good anymore
All I want to know is
Why, does any of it matter? (I can't take it anymore)
You've gotta try, the inhale that makes the exhale so much
better
Now I know I disappear
I can't (7)_____ my way from out of here
Everything is fading on me
Someone tell me
Someone tell me
Someone tell me
Why, does any of it matter? (I can't take it anymore)

so much better
