If Today Was Your Last Day by Nickelback

My (1) friend gave me the best advice	Swear up and down to God above
He said (2) day's a gift and not a given right	That you finally fall in love
Leave no stone unturned, leave your fears behind	If today was your last day
And try to take the path (3) traveled by	If today was your last day
That first step you take is the longest stride	Would you make your mark by mending a broken heart?
If (4) was your last day	You know it's never too (9) to shoot for the stars
And tomorrow was too late	Regardless of who you are
Could you say goodbye to yesterday?	So do whatever it takes
Would you live each moment like your last?	'Cause you can't rewind a moment in this life
Leave old pictures in the past	Let nothin' stand in your way
Donate every dime you have?	Cause the hands of time are never on your side
If (5) was your last day	If today was (10) last day
Against the grain should be a way of life	And tomorrow was too late
What's worth the prize is always worth the fight	Could you say goodbye to yesterday?
Every second counts 'cause there's no second try	Would you live each moment like your last?
So (6) like you'll never live it twice	Leave old pictures in the past
Don't take the free ride in your own life	Donate every dime you have?
If today was your last day	Would you call old friends you never see?
And tomorrow was too late	Reminisce old memories
Could you say goodbye to yesterday?	Would you forgive your enemies?
Would you live each moment like your last?	Would you find that one you're dreamin' of?
Leave old (7) in the past	Swear up and down to God above
Donate every dime you have?	That you finally fall in love
Would you call old (8) you never see?	If today was your last day
Reminisce old memories	
Would you forgive your enemies?
