

Fill in the gaps

If Today Was Your Last Day by Nickelback

My best friend gave me the best advice	Swear up and down to God above
He said each day's a gift and not a given right	That you finally fall in love
Leave no stone unturned, leave your fears behind	If today was your last day
And try to take the path less (1) by	If (8) was your last day
That first step you (2) is the longest stride	Would you (9) your mark by mending a broke
If today was your last day	heart?
And tomorrow was too late	You know it's never too (10) to shoot for the stars
Could you say goodbye to yesterday?	Regardless of who you are
Would you live each moment like your last?	So do whatever it takes
Leave old (3) in the past	'Cause you can't (11) a moment in this life
Donate every dime you have?	Let nothin' (12) in your way
If today was your last day	Cause the hands of (13) are never on your side
Against the grain should be a way of life	If today was your last day
What's worth the prize is always worth the fight	And (14) was too late
Every second counts 'cause there's no second try	Could you say goodbye to yesterday?
So live like you'll (4) live it twice	Would you live (15) (16)
Don't take the free ride in your own life	(17) your last?
If today was (5) last day	Leave old (18) in the past
And tomorrow was too late	Donate every dime you have?
Could you say goodbye to yesterday?	Would you call old (19) you
Would you live each moment like your last?	(20) see?
Leave old pictures in the past	Reminisce old memories
Donate (6) dime you have?	Would you (21) (22) enemies?
Would you call old friends you never see?	Would you (23) that one you're dreamin' of?
Reminisce old memories	Swear up and down to God above
Would you forgive (7) enemies?	That you finally fall in love
Would you find that one you're dreamin' of?	If today was your last day
