

Fill in the gaps

The stars lean down to kiss you,	But drenched in Vanilla twilight,
And I lie awake I (1) you,	I'll sit on the front porch all night,
Pour me a heavy dose of atmosphere.	Waist deep in (7)
Cause I'll doze off safe and soundly,	you.
But I'll miss your arms around me	I don't feel so alone.
I'll send a postcard to you dear,	I don't feel so alone.
Cause I (2) you were here.	I don't feel so alone.
I'll watch the night turn light blue,	As many times as I blink I'll think
But it's not the same without you,	I'll (8) of you tonigh
Because it (3) two to whisper quietly,	When violet eyes get brighter,
The silence isn't so bad,	And heavy wings grow lighter,
Till I look at my hands and feel sad,	I'll taste the sky and feel alive ag
Cause the spaces between my fingers	And I'll forget the world that I kne
Are right where (4) fit perfectly.	But I swear I won't forget you,
I'll find repose in new ways,	Oh if my voice could reach back
Though I haven't (5) in two days,	I'd whisper in your ear,
Cause (6) nostalgia chills me to the bone.	Oh darling I wish you were here.

I'll sit on the front porch all night,	
Waist deep in (7) because when I think of	
you.	
I don't feel so alone.	
I don't feel so alone.	
I don't feel so alone.	
As many times as I blink I'll think of you tonight.	
I'll (8) of you tonight.	
When violet eyes get brighter,	
And heavy wings grow lighter,	
I'll taste the sky and feel alive again.	
And I'll forget the world that I knew,	
But I swear I won't forget you,	
Oh if my voice could reach back through the past,	
I'd whisper in your ear,
