

Fill in the gaps

Remember when we used to look how sun sets far away?
And how you said: "This is never over"
I believed your every word and I guess you did too
But now you're saying: "Hey, let's think this over"
You take my hand and pull me next to you, so close to you
I have a feeling you don't have the words
I found one for you, kiss it's seem, say bye, and walk away
Don't look back 'cause I am crying
I remember little things you hardly ever do
Tell me why
I don't know why it's over
I remember shooting stars, the walk we took that night
I hope your wish came true, mine (1) me
You let my hand go, and you fake a smile for me
I have a feeling you don't know what to do
I look deep in your eyes and hesitate a while
Why are you crying?
Tallulah, It's easier to live alone (2) fear the time
it's over, oo-ooh

Tallulah, (3) the (4) and talk to me,
oh, Tallulah,
This could be heaven
I see you walking (5) in hand with long-haired
drummer of the band
In love with her or so it seems, he's dancing with my
(6) queen
Don't (7) dare to say you hi, still swallowing the
goodbye
But I know the feelings still alive, still alive
I lost my patience once, so do you punish me now
I'll always love you, no matter what you do
I'll win you back for me if you give me a chance
But there is one thing you must understand
Tallulah, It's easier to live (8) than fear the time
it's over
Tallulah, find the (9) and talk to me ,oh, Tallulah,
This could be
Tallulah, It's easier to live (10) than fear the time
it's over
Tallulah, find the words and talk to me ,oh, Tallulah,
This could be

- 1. betrayed
- 2. than
