## Children Of The Sea by Black Sabbath

In the (1) morning, on the edge of time	And it just had to be
We've lost the rising sun, a final sign	Yes they say that it's over
As the misty morning rolls away to die	We're lost (6) of the sea
Reaching for the stars, we blind the sky	In the misty morning, on the edge of time
We sailed (2) the air before we learned to fly	We've lost the rising sun, a final sign
We thought that it could never end	As the (7) morning rolls away to die
We'd glide above the ground before we learned to run, run	Reaching for the stars, we blind the sky
Now it seems our world has come undone	Oh they say that it's over, yeah
Oh they say that it's over	And it just had to be
And it (3) had to be	Oh they say that it's over
Ooh they say that it's over	Poor (8) children of the sea, yeah
We're lost children of the sea, oh	Look out! the sky is falling down!
We made the mountains shake (4) laughter as we	Look out! The world is spinning round and round and round!
played	Look out! The sun is (9) black, black
Hiding in our corner of the world	Look out! It's (10) never never coming back
Then we did the demon dance and (5) to	Look out!
nevermore	
Threw away the key and locked the door	
Oh they say that it's over, yeah
