

Fill in the gaps

Children Of The Sea by Black Sabbath

In the misty morning, on the (1) of time	And it (13) had to be
We've (2) the rising sun, a final sign	Yes they say (14) it's over
As the misty (3) rolls away to die	We're lost children of the sea
Reaching for the stars, we blind the sky	In the (15) morning, on the edge of time
We sailed across the air before we learned to fly	We've (16) the rising sun, a final sign
We (4) it could	As the misty (17) rolls away to die
(6) end	Reaching for the stars, we (18) the sky
We'd glide above the ground (7) we learned	Oh they say that it's over, yeah
to run, run	And it (19) had to be
Now it seems our (8) has come undone	Oh (20) say that it's over
Oh they say that it's over	Poor lost children of the sea, yeah
And it just had to be	Look out! the sky is (21) down!
Ooh they say that it's over	Look out! The world is spinning round and round and round!
We're (9) of the sea, oh	Look out! The sun is (22) black, black
We made the (11) shake	Look out! It's never (23) never coming back
(12) laughter as we played	Look out!
Hiding in our corner of the world	
Then we did the demon dance and rushed to nevermore	
Threw away the key and locked the door	
Oh they say that it's over, yeah
