'll tell ya what to do when your life has you in a bind	Come around, come around
When you're calling up on luck,	I can't live without
But the Beep Beep is all that you find	Whoa, wanna rock (4) feeling off the ground
And there's nothing you can do about it	Wanna lift you up
Cuz there's more than is meeting the eye	Whoa, wanna rock, (5) 'till the morning dawn
Now I wantcha to know	Morning dawn
That you're part of the show	One crowd, one hymn
Come around, come around	Now let the show begin
can't (1) without	One time again
Whoa, wanna rock this feeling off the ground	Around, come around, (6) around
Wanna lift you up	I can't live without
Whoa, wanna rock , rock 'till the morning dawn	Whoa, wanna rock this feeling off the ground
Morning dawn	Wanna lift you up
All I wanna do's put a (2) back there on your	Whoa, wanna rock, rock 'till the morning dawn
ace	Rockin' and (7) and rockin' and
Just forget about the blues	(8) and
Cuz we need you here to shake up the place	Whoa, wanna rock this feeling off the ground
And there's nothing you can do about it	Wanna lift you up
Cuz there's (3) than is meeting the eye	Whoa, wanna rock , rock 'till the (9) dawn
Now I wantcha to know	Morning dawn
That you're part of the show
