Everyday Heroes 911 by Dave Carroll

Firefighters at the station	That's when the (18) come in
Listen as the (1) goes out	These women and men.
Fire alarms activating	'Cause they've (19) a promise
And the building is showing smoke	And (20) they come
And so the engine goes	Someone hurting (21) 91
To (2) again.	And the siren's saying
These (3) at the scene (4)	Hope is on the way
watching	There's a (22) racing
People (5) out for their lives	to help a stranger again.
The firefighters get (6) help	When people in the world need saving
Then now they go looking for more inside	a saviour's who answers the call
Cause that's just (7) (8) do	Don't get paid any more for danger
These (9) and men.	Or get to pick the ones they want
'Cause they've (10) a promise	They just go the way the few will go
And here they come	May be they'll lay it all on the line
Someone hurting calling 911	As they do their job
And the siren's saying	They'd do it one more time.
Hope is on the way	'Cause they've made a promise
There's a hero racing	And (23) they come
to help a stranger again.	Someone hurting calling 911
Saturday night in the city	And the siren's saying
A cruiser (11) a (12) call	Hope is on the way
Little girl says her daddy's mad	There's a (24) racing
And drank a bunch of alcohol	to (25) a stranger again.
And so they (13) away	There's a (26) racing
To (14) again.	to (27) a stranger again.
People at the house are screaming	
Someone yells, "He's got a gun!"	
Little (15) full of (16) cries out	
"Daddy, don't you (17) my mum"
