

The nights are growing longer now

Fill in the gaps

And I can't think of anything but you
Do you feel the same way too
Outside the windows, (1) are brown
Like words of passion falling down, it's true
The one's I've never heard from you
Remember, love was such an easy game to play
Those days are flown a million miles away
Everything I want
Everything I do
Is trying to (2) myself again
'cause life can be so cruel
For (3) I've done
And things that I did wrong
I'm (4) to forgive me 'cause it's obvious
I'm guilty of loving you
I'll take the chance, this is my life
I'm gonna make the best of what I am
I really (5) to understand
And should I fail or recognize
The mirror's not reflecting what I want to see

Someone else inside me I'm stepping out the edge, I'm on the borderline Ain't gonna make the same mistakes this time Cause everything I want Everything I do Is trying to find myself again 'cause life can be so cruel For (6)______ I've done
And things (7)______ I did wrong I'm asking to (8)_____ me 'cause it's obvious I'm guilty of loving you Guilty of loving you Now everything I want Everything I do Is trying to find myself again 'cause life can be so cruel For anything I've done And (9)_____ that I did wrong I'm (10)_____ to forgive me 'cause it's obvious

It's clear that I was guilty of loving you
