

Fill in the gaps

The nights are growing longer now		Someone else (8)	_ me
And I can't think of anything but you		I'm stepping out the edge, I'm on the borderline	
Do you feel the same way too		Ain't gonna make the same mistakes this time	
Outside the windows, leafs are brown		Cause everything I want	
Like words of (1) falling	ng down, it's true	Everything I do	
The one's I've never heard from you		Is trying to find (9)	again
Remember, love was (2) an easy game to play		'cause life can be so cruel	
Those (3) are (4)	a million miles	For anything I've done	
away		And things that I did wrong	
Everything I want		I'm asking to forgive me 'cause it's obvious	
Everything I do		I'm guilty of loving you	
Is trying to find myself again		Guilty of loving you	
'cause life can be so cruel		Now everything I want	
For anything I've done		Everything I do	
And things (5) I did wrong		Is trying to find myself again	
I'm asking to forgive me 'cause it's obvious		'cause life can be so cruel	
I'm (6) of loving you		For anything I've done	
I'll take the chance, this is my life		And things that I did wrong	
I'm gonna make the best of what I am		I'm asking to forgive me 'cause it's obvious	
I (7) need to understand	I	It's clear that I was guilty of (10)) you
And should I fail or recognize			
The mirror's not reflecting what I want to	see
