

Fill in the gaps

The nights are growing longer now	Someone else (7) me
And I can't think of anything but you	I'm (8) out the edge, I'm on the
Do you feel the (1) way too	borderline
Outside the windows, leafs are brown	Ain't gonna make the (9) mistakes this time
Like words of passion (2) down, it's true	Cause everything I want
The one's I've never heard from you	Everything I do
Remember, love was (3) an (4) game	Is trying to find myself again
to play	'cause life can be so cruel
Those (5) are flown a million miles away	For (10) I've done
Everything I want	And things that I did wrong
Everything I do	I'm asking to forgive me 'cause it's obvious
Is trying to find myself again	I'm guilty of loving you
'cause life can be so cruel	Guilty of loving you
For anything I've done	Now everything I want
And things that I did wrong	Everything I do
I'm asking to (6) me 'cause it's obvious	Is trying to find myself again
I'm guilty of loving you	'cause life can be so cruel
I'll take the chance, this is my life	For anything I've done
I'm gonna make the best of what I am	And things that I did wrong
I really need to understand	I'm asking to forgive me 'cause it's obvious
And should I fail or recognize	It's clear that I was guilty of loving you
The mirror's not reflecting what I want to see
