I was so nervous that I nearly missed

Everytime I do it makes me laugh	She's had a couple of kids (3) then
How did our eyes get so red	I haven't seen her (4) god knows when
And what the hell is on Joey's head	Oh, oh, oh
And this is where I grew up	Oh, god, I
I think the present owner fixed it up	Every memory of looking out the back door
I never knew we'd ever went without	I had the photo album spread out on my bedroom floor
The second floor is hard for sneaking out	It's hard to say it, time to say it
And this is where I went to school	Goodbye, goodbye.
Most of the time had better things to do	Every memory of walking out the front door
Criminal record says I broke in twice	I found the photo of the friend that I was looking for
I must have done it half a dozen times	It's hard to say it, time to say it
I wonder if it's too late	Goodbye, goodbye.
Should i go back and try to graduate	I miss that town
Life's better now than it was back then	I (5) the faces
If I was them I wouldn't let me in	You can't erase
Oh, oh, oh	You can't replace it
Oh, god, I	I miss it now
Every memory of looking out the back door	I can't believe it
I had the photo album spread out on my bedroom floor	So hard to stay
It's hard to say it, time to say it	Too (6) to leave it
Goodbye, goodbye.	If I could I relive those days
Every memory of walking out the front door	I know the one thing (7) would never change
I found the photo of the friend that I was looking for	Every memory of looking out the back door
It's (1) to say it, time to say it	I had the photo album (8) out on my bedroom
Goodbye, goodbye.	floor
Remember the old arcade	It's hard to say it, time to say it
Blew every dollar that we ever made	Goodbye, goodbye.
The cops hated us hangin' out	Every memory of walking out the front door
They say somebody (2) and burned it down	I found the photo of the friend that I was looking for
We used to listen to the radio	It's hard to say it, time to say it
And sing along with every song we know	Goodbye, goodbye.
We said someday we'd find out how it feels	Look at this photograph
To sing to more than just the steering wheel	Everytime I do it makes me laugh
Kim's the first girl I kissed	Everytime I do it makes me
