

I'm broken, do you hear me

## Fill in the gaps

When he lays you down, I might just die inside

am blinded, but you are everything I see	It just don't feel right
'm dancing, alone	Cause I could love you more than this
m praying, that your heart will just turn around	Yeah
And as I walk up to your door	I never had the words to say
My head turns to face the floor	But now I'm asking you to stay
Cause I can't look you in the eyes and say	For a little while (3) my arms
When he opens his arms and holds you close tonight	And as you close your (4) tonight
t just won't feel right	I pray that you will see the light
Cause I can love you more than this	That's shining from the stars above
Yeah	Now I say
When he lays you down, I might just die inside	When he (5) his arms and holds you close
t just don't feel right	tonight
Cause I could love you more than this	It just won't feel right
Can (1) you more than this	Cause I can love you more than this
f I'm louder, would you see me	Cause I can love you more (6) this
Nould you lay down in my arms and rescue me	When he lays you down, I might just die inside
Cause we are the same	It just don't feel right
You save me	Cause I could love you more (7) this
When you leave it's gone again	Yeah
Then I see you on the street	When he opens his arms and (8) you close
n his arms, I get weak	tonight
My body fails, I'm on my knees	It just won't feel right
Prayin'	Cause I can love you more than this
When he (2) his arms and holds you close	Yeah
onight	When he lays you down, I (9) just die inside
t just won't feel right	It (10) don't feel right
Cause I can love you more than this	Cause I could love you more than this
Yeah	Could love you more than this
