

Fill in the gaps

The Start Of Something Good by Daughtry

You (1) know (2) you're gonna meet	I (13) (14) it's gonna take sometime
someone	I've got to (15) that the thought has crossed my
And your whole wide world in a moment comes undone	mind
You're just walking around and suddenly	This might end up like it should
Everything that you thought (3) you knew about	And I'm gonna say (16) I need to say
love is gone	And hope to god (17) it don't scare you away
You find out it's all been wrong	Don't wanna be misunderstood
And all my scars don't seem to matter anymore	But I'm (18) to believe that this could be
Cause they led me (4) to you	the start
I (5) that its gonna (6) sometime	Cause I don't know (19) it's going
I've got to admit that the (7) has crossed	There's a part of me (20) loves not knowing
my mind	Just don't let it end before we begin
This might end up like it should	You never know when you gonna meet someone
And I'm gonna say what I need to say	And your whole wide (21) in a moment
And (8) to god that it don't scare you away	(22) undone
Don't wanna be misunderstood	I know that its gonna take sometime
But I'm (9) to believe that this could be	I've got to admit (23) the thought has crossed my
the (10) of something good	mind
Everyone knows life has its Ups and downs	This might end up like it should
One day you're on top of the (11) and one day	And I'm gonna say what I need to say
you're the clown	And (24) to god that it don't (25) you
Well I've (12) both enough to know	away
That you don't wanna get in the way when its working out	Don't wanna be misunderstood
The way that it is right now	But I'm starting to believe (26) (27)
You see my heart i wear it on my sleeve	could be the start of something good
Cause I just can't hide it anymore
