

How I've become

## Fill in the gaps

Another mission the powers have (1) me		Indestructible	
away		Determination that is incorruptible	
Another time to carry the (2) again		From the other side a terror to behold	
My motivation an oath I've sworn to defend		Annihilation will be unavoidable	
To win the honor of (3)	back home again	Every broken enemy will kno	ow .
No explanation will matter after	we begin	That their (9)	had to be invincible
Unlock the dark destroyer that's buried within		Take a last look around while your alive	
My true vocation and now my (4)		I'm an indestructible	
friend		Master of war	
You will (5) a war you're unable to win		l'm	
I'll have you know		Indestructible	
That I've become		Determination that is incorruptible	
Indestructible		From the other side a terror to behold	
Determination that is incorruptible		Annihilation (10) I	be unavoidable
From the other side a terror to behold		Every broken enemy will know	
Annihilation will be unavoidable		That their opponent had to be invincible	
Every broken enemy will know		Take a last look around while your alive	
That their opponent had to be invincible		I am indestructible	
Take a last look around while you're alive		Indestructible	
I'm an indestructible		Indestructible	
Master of war		Determination that is incorruptible	
Another reason another cause for me to fight		From the other side a terror to behold	
Another fuse uncovered now for me to light		Annihilation will be unavoidable	
My dedication to all that I've (6) to protect		Every broken enemy will know	
I carry out my orders without a regret		That their opponent had to be invincible	
My declaration embedded deep under my skin		Take a last look around while your alive	
A permanent reminder of how it began		I'm an indestructible	
No hesitation (7) I an	n commanded to strike	Master of war	
You need to know that you're	in for the (8) of		
your life			
You will be shown			

- 1. called
- 2. colors
- 3. coming
- 4. unfortunate
- 5. discover
- 6. sworn
- 7. when
- 8. fight
- 9. opponent
- 10. will
