

Fill in the gaps

What has come over me			Strong and unatraid	
What (1)	_ taken (2)	_ of my heart	Never a (14)	why
To run away, the only answer			For saving me from all they've taken	
Pulling me away			Letting my armor fall again	
To (3) upon the night			Giving me the strength to face them	
The (4) of my recovery			Feeling it taking (15) now	
Sweet shadow taking (5) of the light			I'm about to take it away	
Another day has been devoured			There can be no (16)	way of knowing
Calling me away, begging the question			In a world beyond controlling	
Why			Are you going to deny the savior	
For saving me from all they've taken			In (17) of your eyes	
Letting my armor (6) again			Stare into the night	
Giving me the strength to face them			Power (18) containing	
Feeling it taking (7) now			Are you going to remain a (19) for	
On a (8) to take it all away			The (20) of your life	
There can be no better way of knowing			Give into the night	
In a world beyond controlling			Give in to the night	
Are you going to deny the savior			In a (21) beyond controlling	
In (9) of your eyes			Are you going to deny the savior	
Stare into the night			In (22) of your eyes	
Power beyond containing			Stare (23) the night	
Are you going to remain a slave for			Power beyond containing	
The rest of your life		Are you going to (24)	a slave for	
Give (10) the night		The rest of your life		
This (11) disco	very		Give (25) the night	
Redemption taking hold of my mind			Night Night Night	
A serenade of haunting voices			Give into the Night	
Calling me away			Night Night Night	
To feast upon the night			Give into the Night	
So (12) felicity			Give into the Night	
Dark maiden (13)	hold of my h	nand		
Lead me away from hiberi	nation
