Fill in the gaps

Pain, without love	Pain, I can't get enough
Pain, I can't get enough	Pain, I like it rough
Pain, I like it rough	'Cause I'd rather (6) pain than nothing
'Cause I'd rather feel pain than nothing at all	Rather feel pain
You're sick of feeling numb	I (7) (I know I know I know I know)
You're not the only one	That you're wounded
I'll take you by the hand	You know (You know you know you (8) you know)
And I'll show you a (1) that you can understand	That I'm here to save you
This life is filled with hurt	You know (You know you know you know)
When happiness doesn't work	I'm always here for you
Trust me and take my hand	I know (I know I know I know)
When the lights go out you will understand	That you'll thank me later
Pain, without love	Pain, without love
Pain, I can't get enough	Pain, can't get enough
Pain, I like it rough	Pain, I like it rough
'Cause I'd (2) feel pain than nothing at all	'Cause I'd rather feel pain than nothing at all

Pain, I can't get enough	Rather feel pain
Pain, I like it rough
