You want to end your life

Fill in the gaps

Never Too Late by Three Days Grace

This world (1) (2) be	Now and (14) we try
What I expected	To just (15) alive
And if I don't belong	Maybe we'll turn it all around
Who would (3) it	'Cause it's not too late
I (5) not leave alone	It's never too late
Everything that I own	The world we knew
To make you feel (6) it's not too late	Won't come back
It's never too late	The (16) we've lost
Even if I say	Can't get back
It'll be alright	The life we had
Still I hear you say	Won't be (17) again
You want to end your life	This (18) will never be
Now and (7) we try	What I expected
To just (8) alive	And if I don't belong
Maybe we'll turn it all around	Even if I say
'Cause it's not too late	It'll be alright
It's (9) too late	Still I hear you say
No one (10) ever see	You (19) to end your life
This side reflected	Now and again we try
And if there's (11) wrong	To just stay alive
Who would have guessed it	Maybe we'll turn it all around
And I have left alone	'Cause it's not too late
Everything (12) I own	It's never too late
To make you feel like	Maybe we'll turn it all around
It's not too late	'Cause it's not too late
It's (13) too late	It's (20) too late (It's (21) too late)
Even if I say	It's not too late
It'll be alright	It's never too late
Still I hear you say
