This romeo is bleeding		When he holds you close, when he pulls you near
But you cant see his blood		When he says the words youve been needing to hear
Its nothing but some feelings		Ill wish I was him cause those words are mine
That this old dog kicked up		To say to you till the end of time
Its been raining since you left me		Yeah, I will love you baby - always
Now Im drowning in the flood		And III be there forever and a day - always
You see Ive always been a fighter		If you told me to cry for you
But (1) you I give up		I could
Now I cant sing a (2) song		If you told me to die for you
Like the way its meant to be		I would
Well, I guess Im not that good anymore		Take a look at my face
But baby, thats just me		Theres no price I (6) pay
And I will love you, baby - always		To say these words to you
And III be there forever and a day - always		Well, there aint no luck
Ill be there till the stars dont shine		In these loaded dice
Till the heavens burst and		But (7) if you (8) me just one more try
The words dont rhyme		We can (9) up our old dreams
And I know when I die, youll be on my mind		And our old lives
And III (3) you - always		Well find a place where the sun still shines
Now your pictures that you left behind		And I will love you, baby - always
Are just (4) of a different life		And III be there forever and a day - always
Some that made us laugh, some that made us cry		III be there till the stars dont shine
One that made you have to say goodbye		Till the heavens burst and
What Id give to run my fingers (5)	your hair	The words (10) rhyme
To touch your lips, to hold you near		And I know when I die, youll be on my mind
When you say your prayers try to understand		And III love you - always
