

Fill in the gaps

This romeo is bleeding
But you cant see his blood
Its (1) but some feelings
That this old dog kicked up
Its been (2) since you left me
Now Im drowning in the flood
You see Ive always been a fighter
But without you I give up
Now I cant sing a love song
Like the way its (3) to be
Well, I (4) Im not (5) good anymore
But baby, (6) just me
And I will love you, (7) always
And III be there (8) and a day - always
III be there till the stars dont shine
Till the (9) and
The words (11) rhyme
And I know when I die, youll be on my mind
And III love you - always
Now your pictures that you left behind
Are just memories of a different life
Some that made us laugh, (12) that (13)
us cry
One that made you have to say goodbye
What Id (14) to run my (15)
through your hair
To touch your lips, to hold you near
When you say (16) prayers try to understand
Ive made mistakes, Im (17) a man

When he holds you close, when he pulls you near
When he says the (18) youve been needing to
hear
III wish I was him cause those words are mine
To say to you till the end of time
Yeah, I will love you baby - always
And III be (19) forever and a day - always
If you (20) me to cry for you
I could
If you told me to die for you
I would
Take a look at my face
Theres no price I wont pay
To say these words to you
Well, there (21) no luck
In these (22) dice
But baby if you give me just one more try
We can pack up our old dreams
And our old lives
Well (23) a place where the sun still shines
And I (24) love you, baby - always
And III be (25) forever and a day - always
III be there (26) the stars dont shine
Till the heavens burst and
The words dont rhyme
And I know when I die, youll be on my mind
And III love you - always
