Since the last time (1) I saw (2) pretty	I think about you baby
face	And I dream (19) you all the time
A thousand (3) have (4) me colder	I'm here (20) you baby
And I don't (5) I can look at (6) the	But you're still with me in my dreams
same	And tonight girl it's only you and me
But all the miles (7) separate	Everything I (21) and anywhere I go
Disappear now (8) I'm (9) of	It (22) hard but it won't take (23) my
(10) face	love
I'm (11) without you baby	And when the last one falls, when it's all said and done
But you're still on my lonely mind	It gets hard but it won't (24) away my love, whoa
I think (12) you baby	I'm here without you baby
And I dream about you all the time	But you're still on my lonely mind

But you're still with me in my dreams	And I (25) (26) you all the time
And tonight it's only you and me, yeah	I'm here (27) you baby
The miles (13) rollin'	But you're still with me in my dreams
As the (15) leave (16) way to	And (28) girl it's only you and me, yeah of
