Here Without You by Three Doors Down

A hundred (1) have (2) me older	But you're still on my (6) mind
Since the last time that I saw your pretty face	I think about you baby
A thousand lies have made me colder	And I (7) about you all the time
And I don't think I can look at this the same	I'm here without you baby
But all the miles that separate	But you're still with me in my dreams
Disappear now when I'm (3) of your face	And tonight girl it's only you and me
'm here without you baby	Everything I know and anywhere I go
But you're still on my lonely mind	It gets (8) but it won't take away my love
think about you baby	And when the (9) one falls, when it's all said and
And I dream about you all the time	done
'm here without you baby	It gets hard but it won't take away my love, whoa
But you're still with me in my dreams	I'm here without you baby
And tonight it's only you and me, yeah	But you're still on my lonely mind
The miles just keep rollin'	I think about you baby
As the people leave their way to say hello	And I dream about you all the time
ve heard (4) life is overrated	I'm here without you baby
But I hope that it (5) better as we go, oh yeah yeah	But you're still with me in my dreams
m here without you baby	And tonight girl it's (10) you and me, yeah oh yeah
