

Fill in the gaps

How can I decide what's right when you're clouding up my	when I (7) to know you so well
mind	But how did we get here
I can't win your losing fight all the time	I think I know
How can I ever own what's mine when you're	Do you see what we've done
(1) taking sides	We're gonna make such fools of ourselves
But you won't take away my pride, no not this time	Do you see what we've done
Not (2) time	We're (8) make such fools of ourselves
How did we get here	How did we get here
When I used to know you so well	when I used to know you so well
But how did we get here	But how did we get here
I think I know	I (9) I know
The truth is hiding in (3) eyes and its hanging on	There is something I see in you
(4) tongue	It might kill me
Just boiling in my blood but you think that I cant see	I want it to be true
What kind of man that you are, if (5) a	
man at all	
Well I will figure this one out on my own	
I'm screaming I (6) you so	
My thoughts you can't decode	
How did we get here
