

## Fill in the gaps

How can I decide what's right when you're clouding up my	when I used to know you so well
mind	But how did we get here
I can't win your losing (1) all the time	I think I know
How can I ever own what's mine (2) you're always	Do you see what we've done
taking sides	We're gonna make (7) fools of ourselve
But you won't take away my pride, no not this time	Do you see what we've done
Not (3) time	We're gonna (8) such fools of ourselves
How did we get here	How did we get here
When I used to know you so well	when I (9) to know you so well
But how did we get here	But how did we get here
I think I know	I (10) I know
The truth is hiding in your eyes and its hanging on your tongue	There is something I see in you
Just boiling in my blood but you think that I cant see	It might kill me
What kind of man that you are, if you're a man at all	I want it to be true
Well I will figure (4) one out on my own	
I'm (5) I love you so	
My (6) you can't decode	
How did we get here
