

Fill in the gaps

Into The Night by Santana & Chad Kroeger

Like a (1) from the heavens	And we sang to the wind as we danced through the night
It was (2) to tell	[Chorus]
It was love from above that could (3) me from hell	A-yo-a-yo-a
She had fire in her soul	And the voices rang like the (8) sang, singing
It was easy to see	A-yo-a-yo-a
How the devil (4) could be pulled out of me	And we danced on into the night [2x]
There were drums in the air as she started to dance	Like a gift from the heavens
Every soul in the room keeping time with their hands and we	It was (9) to tell
sang	It was love from above that could save me from hell
[Chorus]	She had fire in her soul
A-yo-a-yo-a	It was easy to see
And the voices rang like the angles sang, singing	How the devil himself could be pulled out of me
A-yo-a-yo-a	There were drums in the air as she started to dance
And we danced on into the night [2x]	Every soul in the room keeping time with their hands and we
Like a piece to the puzzle that falls into place	sang
You could tell how we felt from the look on our faces	And the voices rang like the (10) sang,
We was spinning in circles with the moon in our eyes	singing
No (5) left to move in (6) you	And we danced on into the night
and I	
We forgot (7) we were and we lost track of time
