

Oh, I'm not comin' back

## Fill in the gaps

Sha, Sha, Sha	You're (4) seven steps here
probably shouldn't say this	The seven things I hate about you
But at times I get so scared	You're vain
When I think about the previous	Your games
Relationship we shared	You're insecure
t was awesome, but we lost it	You love me, you like her
t's not possible for me not to care	You made me laugh, you made me cry, I don't (5)
And now we're standing in the rain	which side to buy
But nothing's ever (1) (2) until	Your friends, they're jerks when you act like them,
you hear	(6) know it hurts
My dear	I wanna be with the one I know
The seven things I hate about you (x2)	And the seventh thing I hate the most that you do
Oh, you	You make me love you
You're vain	And compared to all the great things
Your games	That would take too long to write
You're insecure	I probably should mention
You love me, you like her	The seven (7) I like
You made me laugh, you made me cry, I don't know which	The seven things I like about you
side to buy	Your hair
Your friends, they're jerks when you act like them, just know it	Your eyes
nurts	Your old Levi's
wanna be with the one I know	When we kiss, I'm hypnotized
And the seventh thing I (3) the most that you do	You made me laugh, you made me cry, but I guess that's both
You make me love you	I'll have to buy
t's awkward and silent	Your (8) in mine (9) we're intertwined,
As I wait for you to say	everything's alright
What I need to hear now	I wanna be with the one I know
Your sincere apology	And the seventh thing I like the most that you do
When you mean it I'll believe it	You make me love you
f you text it I'll delete it	Sha, sha
_et's be clear	You do, oh
