

## Fill in the gaps

i ii aiways remember		i was changed	
It was (1) afternoon		In places no one would find	
It (2) forever		All your feelings so (7) (8)	(deep
And ended too soon		inside)	
You (3) all by yourself		It was then that I realized	
Staring up at a dark gray sky		That forever was in your eyes	
I was changed		The moment I saw you cry	
In places no one would find		I (9) to hold you	
All (4) feelings so deep inside (deep inside)		i wanted to make it go away	
It was then that I realized		I wanted to know you	
That forever was in your eyes		I wanted to make your everything, all right	
The moment I saw you cry		I'll always remember	
The moment that I saw you cry		It was late afternoon	
It was late in september		In places no one would find	
And I've seen you (5)	(and you were)	In places no one would find	
You were (6) the cold one		All your feelings so deep inside (deep inside)	
But i was never that sure		It was then that I realized	
You were all by yourself		That (10) was in your eyes	
Staring at a dark gray sky		The moment I saw you cry
