It's hard to (1) how it felt before	We have changed but we're (15) the same
Now I found the love of my life	After all (16) we've been through
Passes things, get (2) comfortable	I know we're cool
Everything is going right	I know we're cool
And after all the obstacles	Yeah, I (17) we're cool
It's (3) to see you now with (4)	And I'll be happy for you
else	If you can be happy for me
And it's (5) a (6) that you and	Circles and triangles
me are still good friends	And now we're (18) out (19)
After all that we've been through	(20) new girlfriend
I (7) we're cool	So far from where we've been
I know we're cool	I know we're cool
We used to think it was impossible	I know we're cool
Now you call me by my new last name	cool, I (21) we're cool
Memories seem like so (8) ago	I (22) we're cool
Time (9) (10) the pain	
Remember (11) Boulevard	
The (12) days where the (13)	
was made	
Look how all the (14) have grown, oh
