

## Fill in the gaps

It's hard to remember how it felt before	We have changed but we're still the same
Now I (1) the love of my life	After all that we've been through
Passes things, get more comfortable	I know we're cool
Everything is going right	I know we're cool
And after all the obstacles	Yeah, I know we're cool
It's good to see you now (2) (3)	And I'll be (9) for you
else	If you can be happy for me
And it's such a miracle that you and me are still good friends	Circles and triangles
After all that we've been through	And now we're hanging out with your new girlfriend
I know we're cool	So far from where we've been
I know we're cool	I know we're cool
We used to (4) it was impossible	I (10) we're cool
Now you call me by my new (5) name	cool, I know we're cool
Memories seem like so long ago	I know we're cool
Time always kills the pain	
Remember (6) Boulevard	
The dreaming (7) where the mess was made	
Look how all the (8) have grown, oh
