Left its (2) while I was sleeping	And no one dare
And the vision	Disturb the (11) of silence.

Still remains	Silence like a (13) grows."
Within the sound of silence	"Hear my words that I might (14) you,
In (3) dreams I walked alone	Take my arms (15) I might (16) you."
Narrow (4) of cobblestone	But my words (17) silent raindrops fell,
Beneath the halo of a (5) lamp	And echoed in the wells of silence.
I turned my collar to the cold and damp	And the (18) (19) and prayed
When my eyes (6) stabbed	To the (20) god they made.
By the flash of a neon light	And the sign flashed out its warning
That split the night	In the words that it was forming.
And touched the (7) of silence	And the (21) (22) "The
And in the naked light I saw	(23) of the prophets
Ten (8) people, maybe more	Are written on the subway walls
People talking without speaking	And tenement halls,
	And whisper'd in the sound of silence.
