roday is gonna be the day	By now you should ve somenow
That they're gonna throw it back to you	Realized what you're not to do
By now you should've somehow	I don't believe that anybody
Realized what you gotta do	Feels the way I do
I don't believe that anybody	About you now
Feels the way I do about you now	And all the roads (5) (6) to you were
Backbeat the word was on the street	winding
That the fire in your heart is out	And all the lights that light the way are blinding
I'm sure you've heard it all before	There are many things that I would (7) to say to
But you never really had a doubt	you
I don't believe that anybody feels	I don't (8) how
The way I do about you now	I said maybe
And all the roads we have to (1) along are winding	You're gonna be the one who saves me?
And all the lights that lead us there are blinding	And after all
There are (2) (3) that I would	You're my wonderwall
Like to say to you	I said maybe
I don't know how	You're gonna be the one who saves me?
Because maybe	And after an
You're (4) be the one who saves me?	You're my wonderwall
And after all	Said maybe
You're my wonderwall	You're (9) be the one (10) saves me
Today was gonna be the day?	You're gonna be the one that saves me
But they'll never throw it back to you	You're gonna be the one that saves me
