Don't Walk Away by Michael Jackson

Don't walk away	See now wny
See I just can't find the right thing to say	All my dreams been broken
I (1) but all my pain gets in the way	I don't (6) where we're going
Tell me what I have to do so you'll stay	Everything we said and all we done now
Should I get down on my knees and pray	Don't let go, I (7) (8) walk
And how can I stop losing you	away
How can I begin to say	Now why
When there's nothing (2) to do but walk away	All my dreams been broken
I close my eyes	Don't know (9) we're going
Just to try and see you smile one more time	Everything begins to set us free
But (3) been so long now all I do is cry	Can't you see, I don't wanna walk away
Can't we find (4) love to take this away	If you go, I won't forget you girl
'Cause the pain (5) stronger every day	Can't you see that you will always be
How can I begin again	Even though I had to let you go
How am I to understand	There's nothing left to do
When there's nothing left to do but walk away	Don't walk (10)
