

## May It Be by Enya

|   |   |
|---|---|
| May it be                                       | The shadow's call                               |
| An evening star                                 | Will fly away                                   |
| Shines down                                     | May it be                                       |
| Upon you  | A (5)_____ on                                   |
| May it be                                       | To light the day                                |
| When darkness falls                             | When the (6)_____ is overcome                   |
| Your heart                                      | You may rise                                    |
| Will be true                                    | To find the sun                                 |
| You walk a (1)_____ road                        | Mornië (7)_____ [Quenya: 'Darkness has come']   |
| Oh how far you are (2)_____ home                | Believe and you                                 |
| Mornië (3)_____ [Quenya: 'Darkness has come']   | Will find your way                              |
| Believe and you                                 | Mornië (8)_____ [Quenya: 'Darkness has fallen'] |
| Will find your way                              | A (9)_____ lives                                |
| Mornië (4)_____ [Quenya: 'Darkness has fallen'] | Within you now                                  |
| A promise lives                                 | A promise lives                                 |
| Within you now                                  | Within you now...                               |
| May it be                                       |   |

**Fill in the gaps**
