### Bad Day by Daniel Powter

Where is the moment when we need it the most  
You kick up the leaves and the magic is lost  
They tell me (1)\_\_\_\_\_ blue sky's faded to grey  
They tell me your passion's gone away  
And I don't need no carrying on  
Stand in the line just ahead of the law  
You're faking a (2)\_\_\_\_\_ with the coffee you go  
You tell me your life's been way off line  
You're falling to pieces every time  
And I don't need no carrying on  
Cause you had a bad day  
You're (3)\_\_\_\_\_ one down  
You sing a sad song just to turn it around  
You say you don't know  
You tell me don't lie  
You work at a smile and you go for a ride  
You had a bad day  
The camera don't lie  
You're coming back down and you really don't mind  
You had a bad day  
You had a bad day  
Well you need a blue sky holiday  
The point is they laugh at what you say  
And I don't need no (4)\_\_\_\_\_ on  
You had a bad day  
You're taking one down  
You sing a sad song just to turn it around  
You say you don't know

You tell me don't lie

You had a bad day  
The camera don't lie

mind  
You had a bad day  
You had a bad day  
Sometimes the system (6)\_\_\_\_\_ on the blink and the  
whole (7)\_\_\_\_\_ it turns out  
Wrong  
You might not make it back and you know that you could be  
well oh that  
Strong  
Well I'm not wrong  
So where is the passion (8)\_\_\_\_\_ you need it the most  
Oh you and I  
You kick up the leaves and the magic is lost  
Cause you had a bad day  
You're taking one down  
You sing a sad song just to turn it around  
You say you don't (9)\_\_\_\_\_  
You tell me don't lie  
You work at a smile and you go for a ride  
You had a bad day
