November Rain by Guns N' Roses

When I look into your (1)_____ I can see a love restrained But darlin' when I hold you Don't you know I feel the same 'Cause nothin' lasts forever
And we both know hearts can change And it's hard to hold a candle In the cold November rain We've been through (2)_____ Such a long long
time Just tryin' to kill the pain Yeahh.. But lovers always come And lovers always go And no one's really sure Who's lettin' go today Walking away If we
could take the time To lay it on the line I (3)_____ rest my head (4)_____ knowin' (5)_____ you were mine All mine So if you want to
love me Then darlin' don't refrain Or I'll just end up walkin' In the cold November rain Do you need some time On your own Do you need some time All
alone Everybody needs (6)_____ time On their own Don't you know you need some time All alone I know it's hard to keep an open heart When
even friends seem out to harm you But if you could heal a broken heart Wouldn't time be out to charm you Sometimes I need some time On my own
Sometimes I need some time All alone Everybody needs some time On their own Don't you know you need some time All alone And when your fears
subside And shadows still remain I know that you can love me When there's no one left to blame So never mind the darkness We still can find a way
'Cause nothin' lasts forever Even cold November rain Don't ya think that you Need somebody Don't ya think that you (7)_____ someone
Everybody needs somebody You're not the only one You're not the only one Don't ya think that you (8)_____ somebody Don't ya think that you
Need someone Everybody needs somebody You're not the only one You're not the only one Don't ya think that you Need somebody Don't ya think
that you Need someone (9)_____ needs somebody You're not the only one You're not the only one Don't ya think that you Need
