November Rain by Guns N' Roses

When I look into your (1)_____ I can see a love restrained But darlin' when I hold you Don't you know I feel the same 'Cause nothin' lasts forever
And we both know hearts can change And it's hard to hold a candle In the cold November rain We've been through this Such a long long time Just
tryin' to kill the pain Yeahh.. But lovers always come And lovers always go And no one's really sure Who's lettin' go today Walking away If we could
take the time To lay it on the line I could rest my head Just knowin' that you were mine All mine So if you want to love me Then darlin' don't refrain Or
I'll just end up walkin' In the cold November rain Do you need some time On your own Do you (2)_____ some time All alone Everybody needs
some time On their own Don't you know you need some time All alone I know it's hard to keep an open heart When even friends seem out to harm you
But if you could heal a broken heart Wouldn't time be out to (3)_____ you Sometimes I need some time On my own Sometimes I (4)_____
some time All alone Everybody needs some time On their own Don't you know you need some time All alone And (5)_____ your fears subside
And shadows still remain I know that you can love me When there's no one left to blame So never mind the darkness We still can find a way 'Cause
nothin' lasts forever Even cold November rain Don't ya think (6)_____ you Need somebody Don't ya think that you Need someone Everybody
