When I think (1) on all the crap I learned in high	Makes you (/) all the world's a sunny day, on
school	yeah
It's a wonder I can think at all	I got a Nikon camera
And though my lack of education hasn't hurt me none	I love to take a photograph
I can read the writing on the wall	So mama don't (8) my
Kodachrome	(9) away
They give us (2) nice bright colors	Mama don't take my Kodachrome away
They give us the greens of summers	Mama don't take my (10) away
Makes you think all the world's a sunny day, oh yeah	Mama don't take my Kodachrome away
l got a Nikon camera	Mama don't take my Kodachrome

So mama don't take my Kodachrome away	Mama don't take my Kodachrome away
If you took all the girls I knew (3) I was single	Mama don't take my Kodachrome
And brought them all (4) for one night	Leave your boy so far from home
I know they'd never match my sweet imagination	Mama don't take my Kodachrome away
Everything looks worse in black and white	Mama don't take my Kodachrome
Kodachrome	Uhm uhm!
They give us (5) nice bright colors	Mama don't take my Kodachrome away
